

# Regional Center for Renewable Energy and Energy Efficiency

## Who we are

**RCREEE** 

Regional Center for Renewable Energy and Energy Efficiency  
المركز الإقليمي للطاقة المتجددة وكفاءة الطاقة

**Work in the **Pan-Arab Region...**  
know how to navigate your way**

# RCREEE's Mission & Success Factors

*"We, the Regional Center for Renewable Energy and Energy Efficiency, are the strategic partner for the **Arab countries** driving energy transition for the prosperity of all our people."*

## **(Re)Active**

We are connected, accessible and responsive.

## **Variety**

Our organizational structure is flexible, multinational and attractive for our stakeholders.

## **Trust**

Our partners trust us to contribute to their competitive advantage.

## **Growth**

We grow with our assignments.

## **Sustainability**

Our business is sustainable.

# RCREEE – Who we are

**Intergovernmental Organization with 17 Member States**

**The technical arm of the League of Arab States**

**A leader in clean energy policy dialogues, strategies, technologies and capacity development**

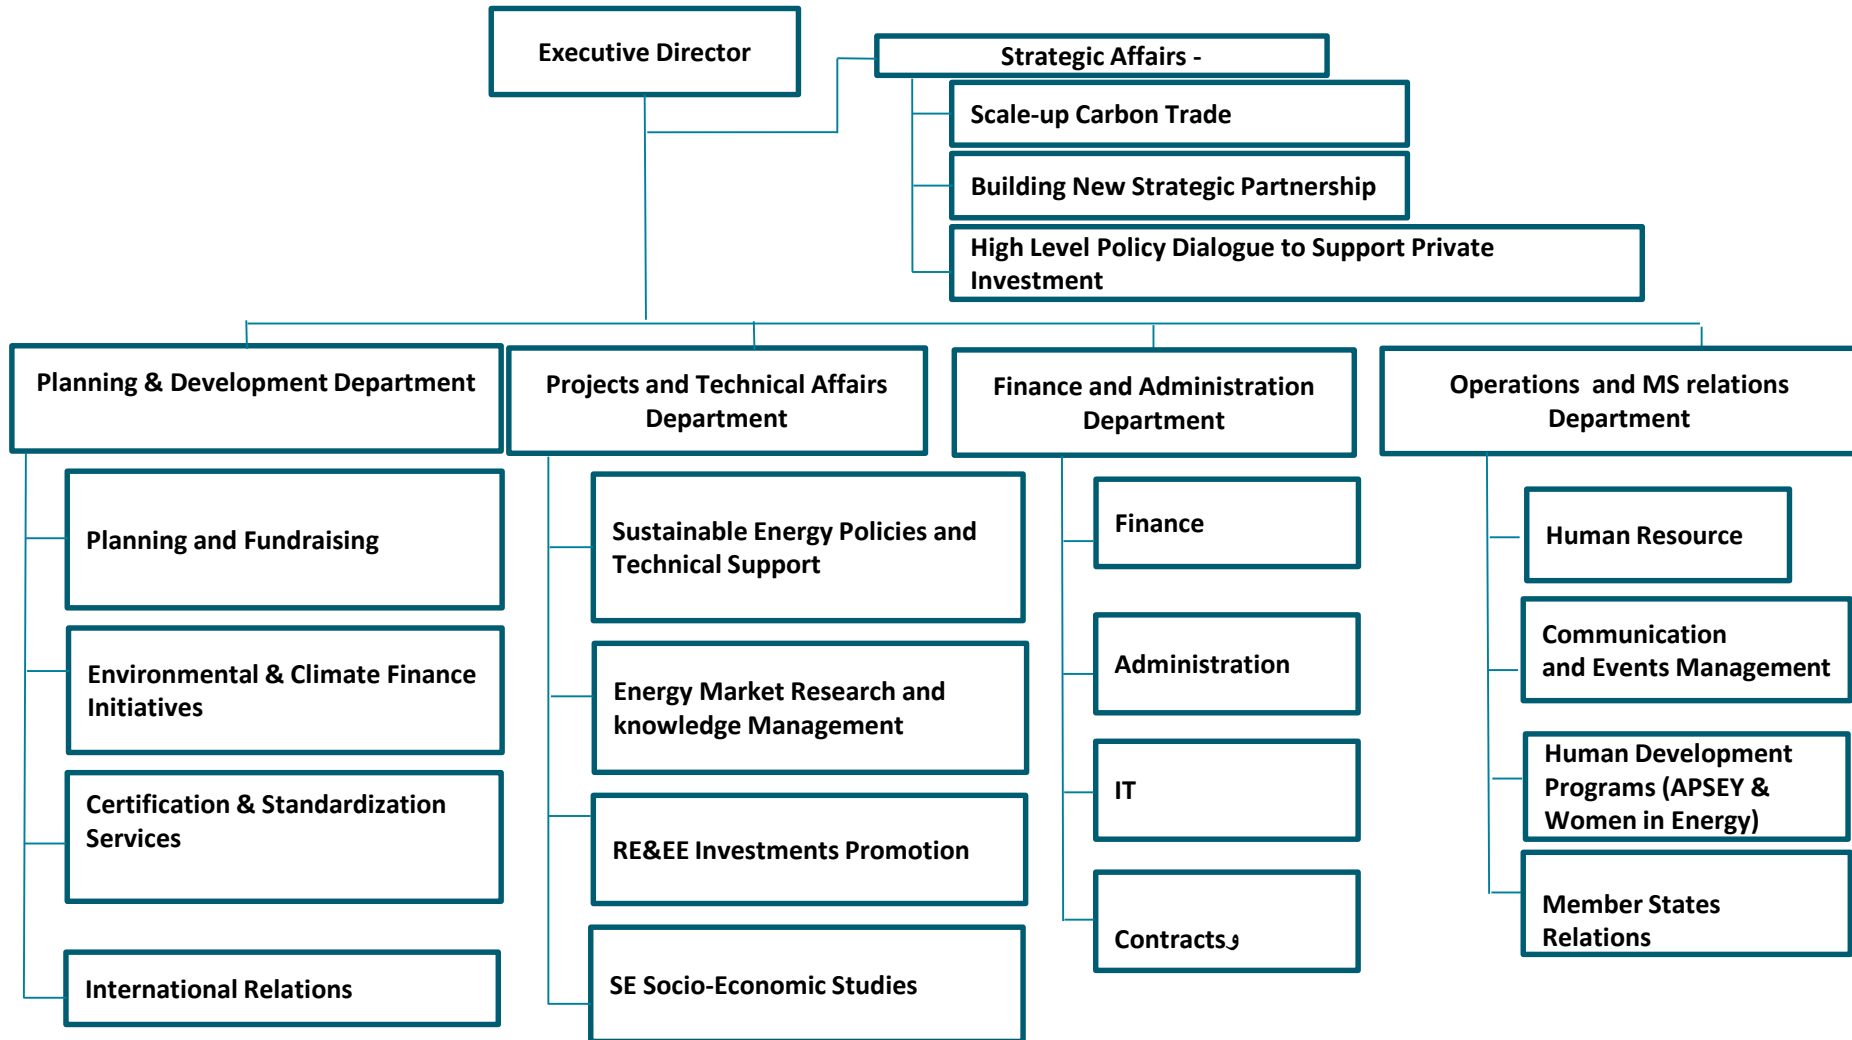

**The first regional renewable energy and energy efficiency centers across the world**

**Secretariat in Cairo, Egypt with regional antennas and a pool of short-term experts**

# Renewable Energy & Energy Efficiency Investments Promotion

**European Bank**  
for Reconstruction and Development

## Green Economy Financing Facility

- Provides finance and advice for private sector businesses
- Supports Egypt's green economy transition with €140 million of financing for energy efficiency and small-scale renewable energy investments
- Technical support to develop a green investment project
- Businesses receive a partial grant

## Energy Management Services

- Provides capacity building to the Banque du Caire on energy assessment procedures and classifications
- Provides energy assessments to industries
- Provides help-desk support to interested parties

## Support for the establishment of Industrial Energy Efficiency (IEE) Fund

- Setting up the fund
- Actively engage in identifying interested project proponents
- Administering the procedures for project finance
- Monitoring, measurement and verification of energy savings

# Social & Environmental Socio-Economic Studies

## Bird migration protection and management through active turbine management

- Aiming to determine the optimum wind turbines operations periods during the heavy bird migratory seasons.
- An innovative coordinating and executing strategic framework

## Environmental and social impact assessment and management of large-scale PVs

- Ensure application with monthly report of issues raised and actions taken or planned:
- Child labor
- Forced labor
- Payroll
- Accommodation
- Working Conditions

# Thank you!
