copenhagen  
climate centre

supported by UNOPS

Efficiency  
Valuation  
Organization

Motivated by climate change, the Global ESCO Network works for the integrated use of the ESCO industry as implementation partner for widespread investment in energy efficiency

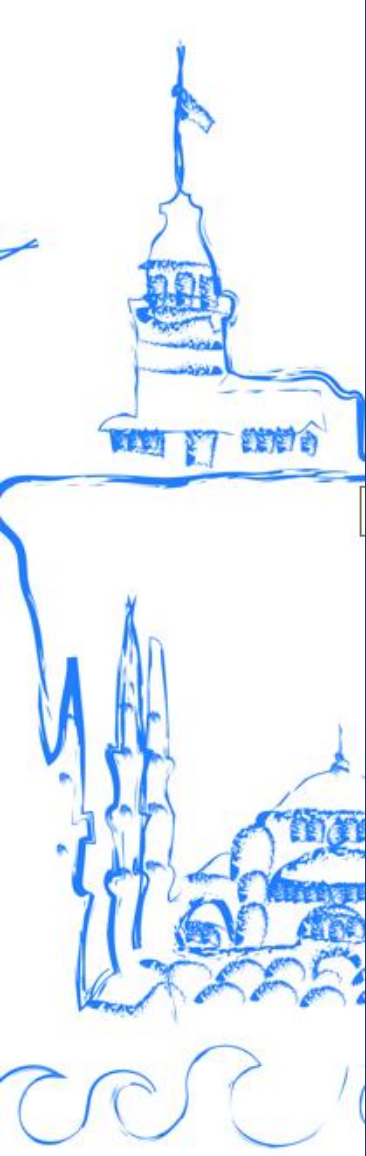

### Mission:

To add to and reinforce existing efforts of National and Regional ESCO Associations to promote increased activities by the ESCO industry at a global scale

To promote the development of policy and regulatory conditions for ESCOs to thrive

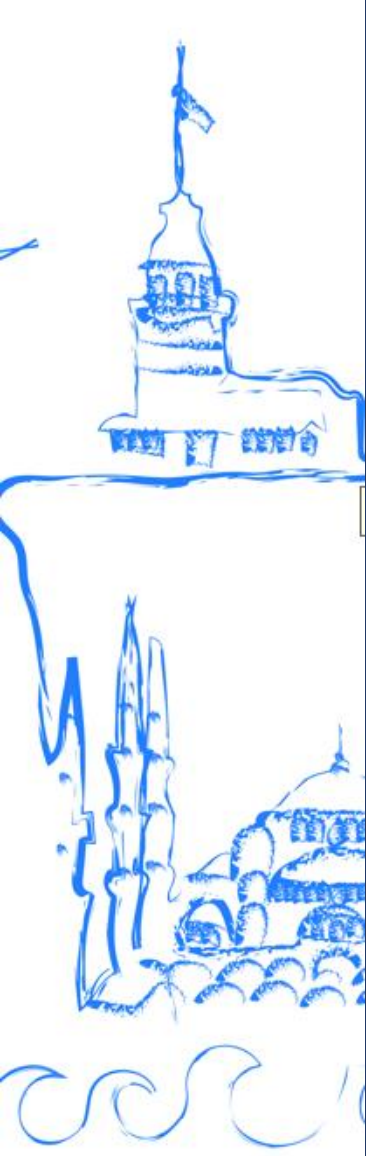

October 2026  
**3<sup>rd</sup>** International ESCO Symposium  
Madrid, Spain  
Hosted by ANESE  
Gathering 200+ ESCO professionals  
and stakeholders
